Grace Student Ministry Summer Intern Program Information:

Purpose of the Internship:

Grace Student Ministries exists to support and love students in meaningful relationships that lead to lives transformed by Jesus through Grace's Worship, Equip, Serve, Together model. There are three main purposes for the Grace Summer Internship. First, the purpose is for students to grow in their relationship with Jesus through their relationship with the intern. Second, the purpose is to help the intern discern and develop any call he/she may have for ministry. And, third, the purpose is to educate the intern in how to be a follower of Christ both in and outside of a church position.

Expectations:

1. Intentionally walk with Jesus in personal life
2. Intentionally invest time in developing relationships with students and the church as a whole
3. Discover and develop spiritual gifts
4. Willing to be vulnerable and authentic with students, staff, and volunteers
5. Eager to serve without grumbling despite changing circumstances
